HERE! MEN OF MODERATE HAIR

Read This HERPICIDE

You will often see a man who fulfills your ideal of a man in almost every particular. He may have a good head, fine physique, perfect manners, an interesting personality and bear himself with the distinguished air of a gentleman. His linen is immaculate and his clothes faultless as to cut and material. But all the pleasant first impressions are ruined when you discover the collar and shoulders of his coat covered with loose hair and flakes of dandruff.

This is an indication of personal carelessness, not to say uncleanness. You feel like telling him to get a bottle of Newbro's Herpicide, and if you are a real friend to him you WILL tell him. This remarkable remedy would in short time remove every trace of dandruff from his head, stop his hair from falling and prevent him from becoming bald. Bald-headed men always look old, whether they are or not.

Dandruff is due to a germ which causes the scale-like accumulation Newbro's Herpicide, used intelligently, checks this accumulation, prevents the hair from falling out and stops that frightful itching of the scalp almost instantly. It has a most delightful odor.

Herpicide is the Original Remedy that destroys dandruff. There is nothing in the world just like it, nothing that is "just as good."

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Applications obtained at the good barber shops. Send 10c in postage for a sample bottle and booklet to The Herpicide Co., Dept. R, Detroit, Mich. Special Agents. (adv.)

Freemantville, Ark., is expected home today for a short visit. Mrs. Daniels' friends will be glad to know that she is so far convalescent as to be able to make the trip to Pensacola, and trust that her recovery may be rapid.

HER HANDS AND ARMS MADE MARVELOUSLY BEAUTIFUL IN A SINGLE NIGHT

FREE PRESCRIPTION DID IT

Camille de Verlae says: "Had anyone told me such wonderful results could be accomplished so quickly, I positively would not have believed it. My arms and hands were covered with tan and freckles; my neck was dark and discolored from the use of high collars. All these defects were obliterated by one application of a free prescription, which I am pleased to give to anyone. It is just as simple as it is effective. Go to any drug store and get a one-ounce bottle of Kulus Compound. Pour the entire contents into a two-ounce bottle, add one quart of water, and fill with water. Prepare this prescription at your own home. Apply night and morning. It makes the skin soft and beautiful, no matter how rough and red it may be. On my daughter, who is delighted, I have given this prescription to thousands of women and they are all just as enthusiastic as I am. Try it on your face, neck and shoulders and you will be agreeably surprised. It is deliciously cool and soothing and is not affected by perspiration. It will not rub off." (adv.)

Brenau Summer School

Opens June 30th at Gainesville, Georgia

The Brenau Summer School, the best in the South, will open June 29 at Gainesville, Ga. A large and competent staff of teachers will be in charge of the varied courses, and many plans have been made for an interesting summer.

Gainesville is ideally located for a Chautauque school such as Brenau conducts each summer, and the facilities of the college are unequalled. The session, which will last until August 10th, offers splendid opportunities for profitable study under the most auspicious circumstances.

The climate is agreeable, and Gainesville is conveniently located near Atlanta, Ga., with several trains going back and forth each day. The Blue Ridge mountains, which are so near that their vague blue peaks are readily discernible, send a fresh breeze of the highlands to the pretty little city, making it delightfully cool on summer evenings, and Lake Warner and Lake Lanier, aid in making Gainesville a most attractive and desirable place in which to spend the summer months.

Fishing, riding and other outdoor diversions give healthful recreation and intellectual stimulation, as well as much pleasure is secured through the recitals, lectures and other entertainments which are frequently given in the Brenau Auditorium.

The courses of study are arranged very conveniently and are under the direction of the most competent and experienced teachers, including the leading universities and colleges of Europe and America. For catalogue address
